REF: Converse Sidewalk Project (CDBG)

Artillery Construction will assist the City of Converse and commence sidewalk, handicap ramps and partial driveway improvements as needed throughout the neighborhood starting on Michelle ST. Monday March 11, 2019 and will last a consecutive 120 calendar days to complete. We need your cooperation in moving vehicles and objects out of the sidewalk path and construction area, we also would like any aggressive pets to be tied down if possible. We will work as professionally and courteously, and try to maintain the neatness of the subdivision throughout the duration of the project. If you have any questions or concerns, feel free to contact us at (956) 929-4853- Joe Borjas or the City of Converse personally.
