

Notice to Residents – ***Converse Center St. Road Closure***

Road Work to Start Soon

This notice is to inform you that Wauters Engineering will be working on installing an underground storm water drain on Converse Center St. beginning Thursday, December 5th to Friday December 6th, 2019 from 8am to 5pm (*weather permitting*).

After the completion of the work, Center Street will be re-opened for vehicle traffic and you will have access. We will try to keep disruptions to a minimum however, please know that there will be detours and inconveniences until the work is complete. Sorry for the inconvenience and our apologies in advance for the disruptions.

Converse Center Street Repair
