

## **CONVERSE EMERGENCY MANAGEMENT MESSAGE**

**July 17, 2020**

**Citizens of Converse,**

We are in compliance with all State mandated Declarations. I would like to thank the Converse Emergency Management Team for working 24/7 to keep you safe and informed during this Declaration of Emergency (COVID-19). I would also like to relay our sincere thanks to our local Business owners for all their proactive support and efforts to keep Converse safe. I would like to thank our residents for accepting and implementing all necessary precautions directed by the Converse Emergency Management. Due to the recent increase in COVID-19 cases within the immediate areas surrounding the City of Converse, as a precautionary measure the City Pool will remain closed. We continue to implement all COVID-19 mandates declared by the Governor. Face coverings are mandatory and available while visiting all City Offices. We are encouraging everyone to wear appropriate face coverings and continue with social distancing at all times. We will keep you informed via the city website ([www.conversetx.net](http://www.conversetx.net)) and Facebook page. If you have any questions, please call 210-658-5356. We will take all necessary actions to keep Converse safe. Please continue doing your part so that together we will be successful. Stay Safe!

Thank you and have a wonderful Blessed Day.

**Al Suarez**  
**Mayor**  
**City of Converse**
