CONVERSE EMERGENCY MANAGEMENT MESSAGE

September 23, 2020

Citizens of Converse,

We are complying with the recent changes directed by Governor Abbott on September 21 increasing the occupancy to 75 percent for dine-in restaurants. Only restaurants that have less than 51 percent of their gross receipts from the sale of alcoholic beverages, and whose customers eat or drink only while seated, may offer dine-in services. As a reminder, outdoor gatherings exceeding more than 10 persons are prohibited. Face coverings are mandatory and available while visiting all City Offices. We are encouraging everyone to please wear appropriate face coverings and continue with social distancing at all times. We will keep you informed via the city website (www.conversetx.net) and Facebook page. If you have any questions or need a face mask, please call 210-658-5356. Please note, your Converse Emergency Management Team is working 24/7 and will immediately take all necessary actions to keep Converse safe. **Public Safety will always be our number one priority.**

Thank you,

Al Suarez
Mayor
Emergency Management Director
City of Converse
